

Dear 2nd Grade Parents,

We've come together as a grade level to compile remote learning resources you can use while at home. If you want to keep an **optional** log of what activities your child has done you are welcome to do that. Please don't feel like you have to.

Visit [GoNoodle](#) and choose 5 (or more!) of your favorite videos to get moving.

DESCRIBE

this
Artwork

Jasper Johns

Imagine you are describing this artwork to someone on the phone. What elements of art are present? Line, color, shape, space, value, texture.

(write or tell someone at home)

Visit [Classics For Kids](#)

-click the "games" tab

- listen to music from a country other than the United States on the "Composer Map"

Explore the rest of the website when finished!

RAINBOW RUN

Name each color of the rainbow. As you name a color, run and touch 3 things that are that color.

Visit [PBS Design Squad](#) and choose a design to build OR get inspired and create something new with the materials you have at home.

Watch Ok Go's **PRIMARY COLORS** video.

Create a list of **10** items total that you can find inside of your house or in nature that are **PRIMARY COLORS**.

Draw one red item, one blue item, and one yellow item on the same page and color them.

Read **Goldilocks and the Three Bears** or watch it online:

Then try the Build a Better Bed STEAM challenge.

Build a Better Bed:

Use whatever materials you have to build a strong new bed for Baby Bear. To test your bed, pile pennies on top to see how many it will hold before failing. Make improvements and retest.

What's Your Name?

Click this What's Your Name link and do the exercises based on the letters in your name
